VAIRKKO SOLUTION OVERVIEW

Education

Create, deliver, and track training—all in one place to keep your team prepared and qualified.

Main capabilities

eLearning	Create custom courses or upload SCORM packages • Connect courses with certification tracking • Assign courses with due dates • Create custom completion certificates • Content-only courses, tests, or both
Classroom Training	Manage instructor-led training • Register internal and external attendees • Upload attendance rosters • Connect with certifications, eLearning, and payroll • Create unlimited customized courses
Skills Testing	Create unlimited custom skills tests • Admin-assigned or user-requested evaluations • Assign tests with due dates • Support remedial training • Create custom completion certificates
Pre-Built Courses	Mastery Training Services general workforce courses • 911 e-Learning Solutions EMS continuing education courses

Representative workflow: how eLearning works

1. Admin	2. Employee	3. Admin
Assign a course and due date	Complete the course and any test	Review completion records

Works with your other VAIRKKO modules

Certifications — Review completed training alongside credential renewal deadlines.
