VAIRKKO SOLUTION OVERVIEW

Inventory & Assets

Organize supplies, track equipment, and connect inventory and assets to your people and fleet—all in one place.

Main capabilities

Inventory	Barcode scanning • Custom categories and fields • Inventory alerts • Purchase order management • Inventory tracking and reporting
Assets	Check-in and check-out tracking • Serial number tracking • Warranty tracking • Connected to iForms, Fleet, and Collision Tracking • Document and photo attachments

Representative workflow: how inventory works

1. Admin	2. Staff	3. Admin
Set up stock items and categories	Scan and record inventory movements	Review alerts and manage purchase orders

Works with your other VAIRKKO modules

iForms — Associate an iForm with a specific asset to document an issue or inspection.
